

Reporting according to the Task Force on Climate-Related Financial Disclosures (TCFD)

For the fifth time, Castellum has adapted the company's reporting in accordance with the recommendations in the TCFD framework to describe how we work strategically with climate-related risks and opportunities. In 2021, TCFD published industry-specific recommendations. The table below describes the scope of the reporting and page references are made for the respective areas. Castellum has worked further on scenario analyses linked to climate change, which is reported on pages 69–70 and 77.
